this is so embarrassing! please.. help me!
i'm happy thought! i'm unbearably happy thought!
thi-this is ...

I came to the lobby to ask nidai-kun to help me get the ingredients
hmhp!
It's not that hard to kill the cow at the farm with my bare hand!!
bare hand?
hanamura san...
aren't you supposed to be preparing the food at the old loadge?
?
yup!
fufu..!
tonight,i'm going to prepare the world's tastiest cuisine so look forward to it!!
. hmhp it's going to be a party all night
so if it's not grand,it will be very troubled
..eh?
the all night!?
yeah,
i was about to tell the others about it
also, before entering the old loadge, i'll be making sure that no one carries in dangerous items..
Well I'll be the one keeping watch so you guys can just enjoy yourselves
Again, why
..
and aren't you being a little too paranoid by doing a body check?
Hmph! Say All What You Like

I PROMISED YOU GUYS THAT I WON'T ALLOW EVEN A SINGLE VICTIM
AS LONG AS I'M THE ONE HOLDING THE PARTY THERE'S A NEED TO MAKE THE SECURITY PERFECT

AH HANAMURA-KUN!
CAN YOU WAIT A LITTLE LONGER?

KOMAEDA-KUN!
CAN I BRING OUT THE FOOD NOW?

I'll be done preparing... after i attach this knife under the tabble
w-wait what are you holding ..?!
eh? well..
prepare ... preparing for what ..?!
can't you tell by looking at it?
y.. you don't mean ...
of course!
.... huh?
06

in the middle of the party
i'm going to kill someone

that's not it..

no matter how much you want to get off this island..!
it's useless to stop me now or tomorrow or even the day after I'll not give up on mutual killing
let me make this Clear from the outset

all I want ... is the mutual killing to happen

It can't be helped if a trash like me get off from this island..
eh?

i love everyone's power that'a called 'hope' ..from my bottom of my heart..
that's why i want you guys to prove that 'hope'..won't lost to 'despair'!
beacause... i love everyone so much..
huh?
08

a..
a-are you joking?! i don't understand what you're trying to say
oh.. but i don't mind
It's fine if it's just my one-sided love

you.. you're weird! there's something wrong with you !!!
do you really ... think so?
but isn't this 'love'?

by the way,
are you really fine with this living on this island for the rest of your life..?

how dissap-pointing ....
even thought you heve talent to be celled 'ultimate chef',
but your dream and hope end here .
that's .....
but according to monokuma, we've lost a few year of memories so, i don't know what's the situation outside of this island
!!
i'm sure that there's e lot of people anticipeting for your return.. and your cuisines. ....
.....
just kidding !
ah,by the way
i found an escape hole in e passageway under the storage room
but the lightbulb is broken and it's dark so it might be dangerous well,you shouldn't go near there

the floor was rotten,so it might be bad if someone fall. so i spread the carpet i brought from the supermarket

haha i'll take that as a complit-ment
by the way,where's togami kun..
the whole day..wow kamaeda you're like a housewife
but..since there was so much dust and spiderwebs, it took the whole day just to clean the hall

yippee~ the lead finally appears!

IS THAT SO? I'LL LEAVE IT TO YOU THEN.
I UNDERSTAND
I SHOULD HEAD TO THE OFFICE THEN
